PROGRAM SPECIFIC *Sponsorship Opportunities*

Prom Boutique | Back to School | Christmas Promise

Three times a year, our community shows up for its kids. In the spring, the Prom Boutique turns our space into a real shopping trip, with volunteer stylists helping teens find the right dress or suit. August brings Back-to-School, where students pick out their own backpack and supplies. And at Christmas Promise, sponsors fulfill wishlists so parents can be the ones giving the gifts. It's all free, and it's built on choice and dignity. Your sponsorship puts formalwear, backpacks, and Christmas gifts into the hands of local families stretching every dollar.
